Leslie,

I have been swamped with Street Fair and the CPRA request and phone calls about the CPRA request. I am home updating our website and reading about Brown Act. Can you write a letter about the Tree Trimming this quarter and anything else you can think about? We have the Street Plus report which includes all the day porter information as well as before and after pictures. I will use the same format as always and include all our BID services as well as a separate page inviting everyone to the Annual Meeting - this is the last newsletter before that.

I don't think there is much else to report. Am I missing anything?

Thanks,
Vicki

Hi Vicki,

Are you going to send me your draft soon so I can formulate my president's letter? As soon as I receive it, I will get right to work on the letter. I need to see it first so I know what it already contains and what it doesn't which helps me decide what to include in my letter.

Thanks.
